Dumping of Wastes by Ship Breaking Industry

5074. SHRI RAJNATH SINGH "SURYA': Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is fact that about 67 percent of ship breaking takes place in India;

(b) if so, whether there are necessary health, safety and environmental rules laid down for the ship breaking industry;

(c) whether it is a fact that hazardous wastes are being dumped in India by the industry; and

(d) if so, the details of action taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI BABU LAL MARANDI): (a) As per information received from the Ministry of Steel & Mines, India is the major ship breaking country in the Asian Region.

(b) The Central Pollution Control Board has issued environmental guidelines for ship breaking. The Guidelines were circulated to the State Pollution Control Boards in December, 1997. As per these guidelines, ship-breakers are required to formulate Environmental Management Plans for disposal of solid waste, oil and oil sludge and other wastes to prevent damage to the environment.

(c) Import of Hazardous wastes for dumping is not permitted.

(d) Does not arise.
